Fuji to Donate to Taiwan Earthquake Relief

FUJI CORPORATION (headquarters: Aichi, Japan; Representative Director, President & COO: Joji Isozumi; hereafter referred to as “Fuji”) and all of its employees would like to express our deepest condolences to those who have lost loved ones in the earthquake that struck Taiwan’s east coast on April 3, 2024, and our heartfelt sympathy to all those affected by the disaster.

To support the affected areas in addressing the extensive damage caused by the massive earthquake in Taiwan this April, Fuji and its group companies will make a donation of JPY 5 million. Our donations will be delivered to those affected by the disaster through the Japanese Red Cross Society to support the relief and recovery efforts carried out by the Taiwan Red Cross Organization.

We sincerely hope for the safety of everyone and the earliest possible restoration of the affected areas.
